Castleton to Rochdale

An easy walk along the Rochdale Canal towpath from Castleton to Rochdale.

- 1** Exit Castleton station and locate the canal towpath to the east of the station. Follow the canal towpath northeast for approx. $\frac{3}{4}$ mile.
- 2** Exit towpath onto Gorrels Way, turn right and head under the motorway. At the junction of Gorrels Way and Queensway cross the road and keep left with the roundabout on your right. Use the staged pedestrian crossing to cross Edinburgh Way. Turn left on local path network and then right back onto the canal towpath.
- 3** Follow canal towpath for approx. $\frac{3}{4}$ mile
- 4** Note canal towpath changes sides.
- 5** Exit the towpath right onto Oldham Road and locate the crossroads of Oldham Road/Crawford Street. Turn left onto Durham Street and follow for a short distance, turn right onto Miall Street and arrive at Rochdale Station.
